

WHITEPAPER

**Dead Horizon**

A person with long dark hair and a beard is rappelling down a rope. They are wearing a dark green t-shirt with a circular logo on the left chest, dark pants, and a red and black climbing harness. There are visible injuries: a bloody wound on the forehead, a bloody wound on the right forearm, and a bloody wound on the right knee. The background is a misty, mountainous landscape.

# Introduction

- Do you love playing video games? Do you have a passion for competing and conquering virtual challenges? If the answer is yes, you have just found your place in the gaming world! Welcome to DEAD HORIZON, the place where true heroes excel and are rewarded for their skills.

## Who we are?

- We are a tight-knit community where competing and having fun is the law. With players of all ages and skill levels, our goal is to create an inclusive space where everyone can compete for cash prizes while doing what they love.

# Opportunity

- Let's talk about how you can turn your passion into an incredible money-making opportunity. Yes, you heard it right, playing video games can be more than just fun; It can be a legitimate and rewarding source of income.

## How is this possible?

- First, the world of video games is constantly growing. The video game industry is one of the most lucrative on the planet, and this trend is only increasing. Players are now celebrities, tournaments draw crowds, and live streams are watched by millions. What was once seen as a pastime is now a billion-dollar industry.
- It's not just skill in the game that matters; It's the dedication, the consistency, and the willingness to learn and adapt. You'll need to build your personal brand.

# Opportunity

- But remember, glory doesn't belong to everyone. As in any sport you will face obstacles. However, the rewards can be extraordinary.
- So players, if you crave your space and trust your abilities, aim for great achievements. Turn your passion into a way of life, embrace the gaming revolution to make money, and write your own success story.
- At the end of the day, it's not just about the money; It's about doing what you love and living a truly fulfilling life. Let's embark on this journey together and DEAD HORIZON is here to help you in this achievement.
- The future has finally arrived and it's now, the new era of blockchain gaming is within your reach!

# GAME

- In a world ravaged by a zombie apocalypse, the only rule that matters is to survive at any cost. But in this dark and chaotic scenario, an unexpected opportunity arose for those brave enough to take on the undead: money. Welcome to the world of "Undead Blocks", the survival game where killing zombies is not only a necessity, but also a source of profit. And it is with this game that we will initially make our rounds of tournaments and prizes.
- If you want to understand better, I suggest visiting the official website of the game:
- <https://www.undeadblocks.com>

# THE COMMUNITY

- To the entire community, I inform you that any and all information related to our team will be managed and communicated exclusively through the team's official channel on the community's Discord.
- Discord is a robust communication platform that offers a variety of tools to facilitate interaction and information sharing. In it, you will find specific channels for different topics, allowing you to find the relevant information in an organized way.
- This decision was made in order to centralize communications, ensuring that everyone has access to information quickly and efficiently, promoting transparency and collaboration among all members of our community.

# ECONOMY

- We are thrilled to announce an exciting change in our economic system that aims to make our community more engaging and rewarding for all. From now on, we will introduce exclusive NFTs that will provide access to all of our exciting tournaments and events.
- What are unique NFTs? Our unique NFTs are unique and valuable digital tokens that grant privileged access to all of our tournaments and events. These NFTs represent your commitment to our community and will serve as proof of your dedication and commitment.
- Exclusive Events and Extra Prizes: Win on Your Merit! We want to emphasize that exclusive events and extra awards will be determined based on skill, dedication and personal development within our community. The more you get involved, improve your skills, and contribute, the greater the rewards you'll be able to earn.

# ECONOMY

- Financial Transparency: How will the amount collected be used? We want to ensure full transparency regarding the funds raised. Therefore, we inform you that 50% of the amount raised will go to the team responsible for making our community even better. This includes paying the developer, the creator of the artwork, the Discord team, marketing and maintenance activities.
- **The remaining 50% will go towards the formation of the tournaments, prizes and raffles that will make our community even more exciting and rewarding.**

Her left hand is resting on the chessboard, with her fingers spread. She is wearing a dark top and a ring on her left ring finger. The background is a soft, out-of-focus indoor setting.

# **ECONOMY**

- **Detailing Financial Transactions: Ensuring Transparency** We want all members of our community to have full confidence in how funds are used. Therefore, all financial transactions will be transparent. The wallets used will be identified, and we will detail all transactions so you can track how your support is being used to improve our community.
- **We thank you all for being part of this exciting journey with us. We look forward to seeing how our community will develop and thrive with this economic system. If you have any questions or need additional clarification, please do not hesitate to contact us. You are a fundamental and unique piece in the foundation of this community.**

# THE NFTS

- We are thrilled to announce the release of an exclusive series of 100 NFTs of zombies, meticulously developed digitally by our team.
- Each NFT represents a unique zombie, with a variety of types, tools, costumes, and scenarios, all created in high quality. These NFTs are not only pieces of digital art, but also a way to support our community and fund our tournaments, as explained earlier.

# THE NFTS

- Here are the important details:
- **1. Price and Quantity:**
- Each Zombie NFT will be sold at a fixed amount of 0.1 ETH. It will only be 100 NFTs.
- **2. Refund Policy:**
- We understand that sometimes decisions can change. Therefore, we offer the option of a refund in the amount of 50% of the purchase price of NFT, subject to certain conditions.
- **Conditions for Requesting a Refund:**
- Condition 1: The NFT must have been acquired directly from our project; Refund requests will not be accepted for purchases made through third parties.

# THE NFTS

- Condition 2: The buyer must not have been drawn or awarded in any tournament while owning the NFT. Players drawn or awarded will not be refunded.
- Condition 3: The buyer must not have been penalized for any kind of cheating while owning the NFT. We do not tolerate cheaters.
- Condition 4: The NFT must not have been transferred to a wallet other than the one used to make the initial purchase of the NFT with our team.
- Condition 5: The refund request must be made within 30 days of the date of purchase of the NFT.

# THE NFTS

- We want to ensure that our buyers are satisfied and comfortable with their purchase. At the same time, your support through the purchase of these NFTs will be critical to the success of our future tournaments and events.
- The release of Zombies NFTs will be a unique and limited opportunity. Stay tuned for release dates and don't miss the chance to acquire an exclusive digital artwork while supporting our community.
- We thank you for being part of this journey and hope you will stay with us.

# PRIZES AND TOURNAMENTS

- It is with great excitement that we announce the arrival of our monthly tournaments in Undead Blocks! We are committed to providing an exciting and challenging experience for all lovers of this game, and these tournaments are a key part of that journey.
  - **Here are the essential details:**
    - **1. Tournament Frequency:**
      - We will hold four monthly tournaments in Undead Blocks with a period of 6 months
      - The distribution of these tournaments may vary, and one per weekend, two on a weekend, three or even all four tournaments in a single weekend may be held. This will allow us to accommodate diverse schedules and styles of play. Always decided by the community.

# PRIZES AND TOURNAMENTS

- **2. Guaranteed Prize:**

- Each of our monthly tournaments will feature a total prize pool of \$200.00 (two hundred dollars) distributed among the TOP 5. This means that over the course of the month, we will be handing out a total of \$800.00 (eight hundred dollars) in prizes only in the regular tournaments to the best players.

- **3. In addition to the Monthly Tournaments:**

- In addition to these monthly tournaments, we also plan to hold sweepstakes, extra prizes and surprise tournaments over the course of an incredible 6 (six) months. Stay tuned to our communications to learn more about these unique opportunities.
- **NOTE:** In case there are NFTs remaining, the team together with the community must redistribute the awards proportionally for the time assigned.

# PRIZES AND TOURNAMENTS

- We're creating a tight-knit and competitive community around Undead Blocks and believe these monthly tournaments will be a great way to showcase your skills, win prizes, and have fun with other members.
- Thank you for being part of this journey with us and look forward to seeing you in our monthly tournaments. Get ready to face epic challenges and earn great rewards!
- Initially, we will hold tournaments using "Undead Blocks" and its well-known game modes such as "Pistol Speed Run," "MP5 Massacre," and "AKM Massacre." These modes already provide a lot of fun and challenge.

# PRIZES AND TOURNAMENTS

- However, we didn't stop there. Our development team is working hard to create new game modes unique to you. Some of them include the "VIP Solo Pistol Run" and the "VIP Solo Run," designed to test your luck, skills, and strategies in unique scenarios.
- We are always open to suggestions from the community and look forward to including new competitive modes that you want to see in our tournaments. We want to make sure our community enjoys a wide variety of options to compete and have fun.
- Stay tuned to our communications for information on tournament dates, specific rules for each game mode and how to participate. We want to encourage all of you to get involved, show off your skills and have fun with these exciting competitive challenges.
- Get ready to face the zombies and the action of Undead Blocks in an even more profitable way.

# TEAM

- We would like to share some important information about the team behind this project. Our goal is to ensure full transparency and trust regarding the management and operation of this team.
- We want to clarify that the team responsible for this project is composed of people who have a personal and trusting relationship with the founder and leader of the project, FRED (GRAVATAZOMBIE). FRED (GRAVATAZOMBIE) is solely responsible for project and team management, and this trusted team is contracted to provide support and expertise in specific areas.
